MISSION

The Hyannis Area Chamber of Commerce includes a diverse membership of businesses, industries, professions, for profit and not-for-profit organizations, public and private sector institutions. **The purpose of the Chamber is to foster, enhance and promote a favorable business climate in the greater Hyannis area and the seven villages of Barnstable.**

HISTORY

We trace our roots back to 1913, when the Hyannis Board of Trade was born. Desiring full-time professional operations, the Board of Trade merged with the Downtown Hyannis Association in 1982. Today, we are a full-time, professionally run Chamber. We value the institutions of business and industry in the community. We believe in the free enterprise system. We work with all segments of our community in planning and implementing programs to improve our general economic wellbeing.

INVITATION TO MEMBERSHIP

We believe that together we can accomplish what no individual can do alone. We would like for you to be a link in our network composed of friends and neighbors working together to make a better community.
